

Remy Overview

About us :

-Remy is an Egyptian personal care brand , developed under pharmaceutical guidance to guarantee excellence . With a carefully selected range, currently featuring body splash and lip balm ,we dedicate our attention to perfecting every detail , from formulation to finish .

Unlike brands that prioritize quantity over quality , Remy ensures each product meets the highest standards of effectiveness , elegance , and reliability .

At Remy ," we don't follow trends ; we cultivate trust ."

Vision

-To establish Remy as a leading Egyptian personal care brand recognized for credibility , innovation , and longlasting customer trust .

Mission

-At Remy , we bridge the gap between commercial beauty and pharmaceutical care by creating safe , effective personal care products under pharmaceutical supervision . We focus on purposeful formulations that address real needs ,not trends ,while maintaining transparency , consistent quality , and fair pricing .

Business model canvas

1 . Customer segmentation

Primary segment :

- Segment A : Teen girls (15–18) → influenced by TikTok budget sensitive.
- Segment B : University girls (18–24) → selfcare oriented mid budget
- Segment C : Young working women (24–30) → quality seeking stable income .

Secondary Segment : New mothers (30+ years) seeking safe , gentle , and reliable personal care products for themselves and their children.

2.Channels

- Instagram & TikTok (primary sales and awareness drivers).
- WhatsApp for direct orders and retention .
- Small local events & university exposure .

-Selected pharmacies (future expansion phase).

3.Customer relationship management

Remy builds longterm trust through:

- Informative , medicallyinformed content.
- Interactive engagement (Q&A , polls , community interaction).
- Loyalty incentives and secondpurchase discounts.
- Personalized touches such as small gifts or notes.

The focus is on trust building and emotional brand connection .

4.Revenue stream

Remy generates revenue through direct product sales across online and offline channels .

In the launch phase , the brand prioritizes market penetration over high profit margins . Revenue growth is driven by :

- Increasing average order value through crossselling .
- Encouraging customers to purchase complementary products together .
- Promoting repeat purchases through reminders and usage cycle incentives .

5.Value Proposition

Remy is an affordable premium cosmeceutical brand offering pharmaceutical supervised personal care products .The brand delivers:

- Safe , well-balanced formulations developed under pharmaceutical supervision . -Visible results with an elegant everyday experience .
