Campaign Insights & Key Learnings ✨

What we discovered, learned, and will do next to grow even stronger.

What We Learned

Creative Content Drives Results

Reels and short-form videos achieved the highest engagement and organic reach compared to static posts.

Smart Optimization Wins

Monitoring campaigns before making changes helped stabilize performance and avoid unnecessary ad interruptions.

Agile Content Strategy

Boosting high-performing content and shifting toward visual formats quickly improved reach and overall campaign performance.

What's Next?

Expand to TikTok

Increase organic visibility by leveraging TikTok's high-performing beauty content ecosystem.

Maintain Cost Efficiency

Keep the Cost per Message around **14.57 EGP** through continuous creative testing and stronger video hooks.

Scale with Lookalike Audiences

Build Lookalike Audiences from the **83** qualified conversations to reach new potential customers at a lower acquisition cost.

Every insight brings us closer to our customers. Every step forward makes **Remy** stronger.
